Date of birth _ 1st Jan 2002

Phone: +91 8091104896

EDUCATION		CGPA	YEAR
B. Tech	Jaypee University of Information Technology, Himachal Pradesh	8.6	2025
XII	Eicher School, Himachal Pradesh	9.6	2020
X	Sophia Convent School, Haryana	9.4	2018

Skills	• Python • JavaScript	• REST APIs • Typescript	• MERN Stack • Firebase	• Git • SQL
Core Subjects	• Oops	• DSA	• DBMS	

WORK EXPERIENCE

FERY RIDES

Jan 2025 - Present

Backend Developer	- Developed a scalable real-time ride-hailing platform, building robust RESTful APIs and complete backend architecture. - Built a fully responsive customer-facing website using React, Vite, and Tailwind CSS, ensuring seamless UI/UX. - Engineered an Admin Dashboard to manage ride assignments, partner allocation, live tracking, and invoice generation. - Managed database systems (Firebase & MongoDB), including data modeling, optimized queries, and scripts for earnings, wallet, and ride lifecycle operations. - Implemented JWT-based authentication, integrated third-party APIs, and collaborated cross-functionally for smooth frontend-backend integration.
-------------------	---

COURSEWORK

Academic Projects	- Developed a machine learning model to predict personality traits from Twitter data using the Myers-Briggs Type Indicator (MBTI) framework, integrating AI techniques for enhanced accuracy - Developed a dynamic React-based application, 'Headline Hub' that aggregates real-time news across multiple categories using a news API, delivering a seamless user experience - Developed Sky-Vault using the MERN stack, a cloud-based note-taking application featuring secure login, cloud accessibility, and user-friendly note management - Developed Text-Tweak, a comprehensive JavaScript-based text editor website featuring text conversion, copy functionality, extra space removal, find and replace, word count, reading time estimation, and dark mode for an optimized and user-friendly text manipulation experience
-------------------	---

Position of Responsibility	• Member, Training and Placement Cell - Jaypee University of Information Technology	2024
	• Member, IEEE Student Committee - Jaypee University of Information Technology	2022
	• Member, Technical Sciences Club - Jaypee University of Information Technology	2022

AWARDS & ACHIEVEMENTS

Academics	• React JS Course Completion Certification – Infosys Springboard	2023
	• Data Science Foundation Completion Certification – Infosys Springboard	2023
	• Certificate of Appreciation – Smart India Hackathon	2023
	• UI/UX and Web Development Bootcamp Appreciation Certification – JUIT, Solan	2022
	• Object Oriented Programming Completion Certification – Infosys Springboard	2022
